

ESMA updates transparency opinions for 3rd country venues

Following the publication of the opinion and the list of third-country venues in June 2020, ESMA has received requests from market participants to assess more venues against the criteria set out in the opinion. The review is now finalised and ESMA is publishing:

- an updated [annex](#) to the opinion related to post-trade transparency, with the list of venues with a positive or partially positive assessment; and
- additional [guidance](#) on the implementation of the list of TCTV venues.

For market participants to automatically process the list of venues included in the annex of both the opinion on transparency and the opinion on position limits, ESMA published them in csv format.

The relevant links related to the opinions and their annexes are now available on a dedicated [webpage](#).
