## **EU Citizens Support Service**

The deadline for the applying to the EU Settlement Scheme, June 2021, is slowly creeping closer.

Estimates suggest there are still thousands of EU citizens and their families living in Scotland who have not yet applied to the scheme.

The Citizens Advice service across Scotland wants to help EU citizens preserve their rights in the UK by making a claim.

Citizens Advice Scotland is running a dedicated EU Citizen Support helpline to assist with the application process for settled or pre-settled status – 0800 916 9847 (Monday to Friday 9am – 5pm).

At Dundee CAB, it is also offering telephone appointments and, in emergency situations, face to face appointments. It can be contacted by calling 01382 214633 or emailing <a href="mailto:bureau@dundeecab.casonline.org.uk">bureau@dundeecab.casonline.org.uk</a>
