

[ESMA publishes the calculations for the March DVC](#)

Within five working days of the end of the month, the European Securities and Markets Authority (ESMA) shall publish the trading volumes and calculations regarding the double volume cap (DVC) under the Markets in Financial Instruments Directive (MiFID II) and Regulation (MiFIR).

ESMA today is publishing the calculations for [March 2018](#). Tomorrow, ESMA expects to complement this information with the indication of any ban expected to be triggered plus the updates for January and February.

SIS II 2017 Statistics Published

The data presented in this report is a collection of data received from Member States connected to SIS II together with data available from the Central SIS II system. This yearly report provides statistics from 01 January until 31 December 2017. Previous years' collections of statistics and revised versions are available on the eu-LISA website too.

Each year, pursuant to Article 50(3) of Regulation (EC) No 1987/2006 of the European Parliament and of the Council and, in parallel, provision Article 66(3) of Council Decision 2007/533/JHA , the Management Authority (eu-LISA) has to publish statistics on:

- the number of records per category of alert,
- the number of hits per category of alert,
- how many times SIS II was accessed, in total and for each Member State.

These statistics and others can be found in the [full report](#).

A [factsheet](#) provides a quick overview of the data too.
