

North Korea: Council adds 14 persons and 4 entities to its sanct

The Council added 14 persons and 4 entities to the lists of those subject to an asset freeze and travel restrictions, transposing new listings imposed by UN Security Council resolution 2356 (2017). This resolution was adopted on 2 June 2017 in response to the Democratic People's Republic of Korea (DPRK)'s ongoing nuclear-weapon and ballistic missile-development activities, in violation and flagrant disregard of previous UN Security Council resolutions.

The Council decision brings the total number of persons under restrictive measures against the DPRK to 53 persons and 46 entities as listed by the UN. In addition, 41 persons and 7 entities are designated by the EU autonomously.

The EU is implementing all UN Security Council resolutions adopted in response to the DPRK's nuclear and nuclear weapons, other weapons of mass destruction and ballistic missile programmes. In addition, the EU has also imposed autonomous restrictive measures against the DPRK, complementing and reinforcing the UN sanctions regime.

The legal acts were adopted by written procedure. They will be published in the Official Journal of 9 June.
