

# [FRA presents its work on relocation of unaccompanied children](#)

FRA presented key findings from its [paper on relocation from Greece](#) and from its upcoming 'Relocating unaccompanied children: applying good practices to future schemes' report.

The report will be available on 11 May. Child Circle, Missing Children Europe, Oxfam and Refugee Rights Europe hosted the webinar on 29 April.

Almost 200 participants from national authorities, EU institutions and civil society took part. They shared experiences, guidance, and best practice tools.

## [Timeline: EMCDDA preparedness and response](#)

*EMCDDA, Nigel Hawtin, Lisbon, April 2020*

### **Summary**

Over the past quarter of a century, the EMCDDA has expanded its monitoring capability to keep pace with revolutionary changes in the extent and nature of the drugs problem and in the world in which we live. By complementing data routinely submitted by Member States with information from an expanding range of leading-edge sources shown below, the agency can now respond with more timely and rounded analyses to inform drug policies and practice in the years to come. This graphic was produced to mark the EMCDDA's [25 years of monitoring](#) milestone. Additional information may be found on the [accompanying news item](#).

## [New online denominations service](#)

All users of the CPVO services and applicants to Community Plant Variety Rights can now have an overview of the denomination situation over their files and submit their denominations proposals online.

Users must connect to [MyPVR](#) to access the new dashboard and use the new e-denominations service.
