

Exhibition to showcase works by Art Specialist Course 2022-23 graduates (with photos)

The Hong Kong Visual Arts Centre of the Art Promotion Office is staging the "Art Specialist Course 2022-23 Graduation Exhibition", which started yesterday (October 26) to November 6, to showcase creative achievements by 20 graduates this year.

The theme of the graduation exhibition this year is "Infinity", where students were required to explore how to present and extend the concept of infinity through visual arts. All the students made use of the skills they had acquired in their courses, "Ink Art" and "Pictorial Art" over the past year and unleashed their creativity. They used flowing brushstrokes and colour combinations to outline their unique visual realms.

The Hong Kong Visual Arts Centre has organised the Art Specialist Course since 2001 with the objective of raising the public's interest in art creation and appreciation. The new round of the Art Specialist Course and Art Advanced Course (2023-24) are now open for application. The course content includes "Ceramics", "Landscapes, Flowers and Birds", "Ink Art" and "Pictorial Art". The application will be closed on November 24. For details about course application and the exhibition, please call 2521 3008 or visit the Hong Kong Visual Arts Centre website www.apo.hk/en/web/apo/va_cademy_2023_24.html.

The Hong Kong Visual Arts Centre is located at 7A Kennedy Road, Central. Admission to the exhibition is free.
