

Family member of Director of Chief Executive's Office tests positive for COVID-19

A spokesman for the Chief Executive's Office said today (March 4) that a household family member of the Director of the Chief Executive's Office, Mr Chan Kwok-ki, tested positive after a COVID-19 rapid antigen test. Mr Chan and his other household family members tested negative after COVID-19 rapid antigen tests.

Mr Chan and his other family members were identified as close contacts after the assessment conducted by the Centre for Health Protection of the Department of Health. They will undergo home quarantine in accordance with the "StayHomeSafe" Scheme. Mr Chan will work from home during the quarantine period.
