

Fanling Swimming Pool temporarily closed

Attention TV/radio announcers:

Please broadcast the following as soon as possible and repeat it at regular intervals:

The Leisure and Cultural Services Department said today (January 19) that the Fanling Swimming Pool in North District has been temporarily closed for cleansing and superchlorination following the discovery of vomit in the pool.

It will be reopened at 2.15pm today.

The department appeals to swimmers to be considerate and to keep our swimming pools clean. They are advised not to swim after a full meal and should use the toilet facilities if necessary before swimming.
