The Census and Statistics Department (C&SD) published today (February 16) the February 2024 issue of the "Hong Kong Monthly Digest of Statistics" (HKMDS).

Apart from providing up-to-date statistics, this issue also contains a feature article entitled "Use of Language in Hong Kong".

"Use of Language in Hong Kong"

The C&SD conducted a Thematic Household Survey on use of language in Hong Kong during September to December 2021 to collect information on Hong Kong persons aged 6 to 65 on the use of spoken and written Chinese and English. This feature article gives a brief account of the major findings of the survey.

For enquiries about this feature article, please contact the Social Surveys Section (2) of the C&SD (Tel: 2887 5179; email: thematic@censtatd.gov.hk).

Published in bilingual form, the HKMDS is a compact volume of official statistics containing about 130 tables. It collects up-to-date statistical series on various aspects of the social and economic situation of Hong Kong. Topics include population; labour; external trade; National Income and Balance of Payments; prices; business performance; energy; housing and property; government accounts, finance and insurance; and transport, communications and tourism. For selected key statistical items, over 20 charts depicting the annual trend in the past decade and quarterly or monthly trend in the recent two years are also available. Users can download the Digest at the website of the C&SD (www.censtatd.gov.hk/en/EIndexbySubject.html?pcode=B1010002&scode=460).

Enquiries about the contents of the Digest can be directed to the Statistical Information Dissemination Section (1) of the C&SD (Tel: 2582 4738; email: gen-enquiry@censtatd.gov.hk).
