

FEHD orders Tsuen Wan food factory to suspend business for 14 days

The Director of Food and Environmental Hygiene has ordered a food factory in Tsuen Wan to suspend business for 14 days as the operator repeatedly breached the Food Business Regulation (FBR) by extending the business area illegally.

The premises, located on the Ground Floor of No. 2 Ching Lung Tau Village, Tsuen Wan, was ordered to suspend business from today (February 20) to March 5.

"In October and November last year, two convictions for the above-mentioned breach were recorded against the shop. A total fine of \$2,800 was levied by the court and 30 demerit points were registered against the licensee under the department's demerit points system. The contraventions resulted in the 14-day licence suspension," a spokesman for the Food and Environmental Hygiene Department (FEHD) said.

The licensee of the shop had a record of two convictions for storing and preparing food in an open space in July last year. A total fine of \$2,000 was levied and 15 demerit points were also registered. The breaches led to a licence suspension for seven days in November last year.

The spokesman reminded the licensees of food premises to comply with the FBR or their licences could be suspended or cancelled.

Licensed food premises are required to exhibit a sign, at a conspicuous place near the main entrance, indicating that the premises have been licensed. A list of licensed food premises is available on the FEHD's website (www.fehd.gov.hk/english/licensing/index.html).
