

Financial results for the six months ended September 30, 2018

The Government announced today (October 31) its financial results for the six months ended September 30, 2018.

Expenditure for the period April to September 2018 amounted to HK\$251.1 billion and revenue HK\$175.8 billion, resulting in a cumulative year-to-date deficit of HK\$75.3 billion.

A government spokesperson said that the cumulative year-to-date deficit for the period was mainly due to the fact that some major types of revenue, including salaries and profits taxes, are mostly received towards the end of a financial year.

The fiscal reserves stood at HK\$1,027.6 billion as at September 30, 2018.

Detailed figures are shown in Tables 1 and 2.
