

# [Find energy grants and ways to save energy in your home](#)

The below information on how to make your home more energy efficient has been made available on Gov.uk which I have enclosed below:

Find out how to make your home more energy efficient and reduce your bills.

The Simple Energy Advice website has [advice on ways to save energy](#), such as:

- insulating your loft and cavity walls
- draught-proofing windows and doors
- upgrading your boiler
- installing double glazing
- using alternative sources of energy, such as solar power

You can also find out if you're eligible for a [home energy grant](#) to help pay for things like loft and cavity wall insulation.

Use the [Energy Efficiency Calculator](#) for personalised advice on what you can do to cut your energy bills.
