News story

You can now keep up to date with all the latest information from the Pubs Code Adjudicator (PCA) team by following us on Facebook.

Today the Office of the PCA has launched a new [Facebook page](#) to help tied tenants and the industry access the latest updates from the PCA and information about the Pubs Code. This is part of our wider aim to raise and maintain awareness of the Pubs Code and say more about the PCA's work.

We have listened to [feedback from tenants](#) who want clear and direct communications from the PCA. We had good feedback on our [PCA Twitter account](#) and hope everyone will welcome this latest addition.
