## Follow up on flooding

I am pursuing the issues of whether the following actions would help reduce local flood risk. This includes asking the authorities what progress they have made on the possible projects beneath. I would be interested in local comment on what is needed.

- 1. Bund water containment on flood plain by the Emm
- 2. Emm deepening and widening of water course in Wokingham and Winnersh
- 3. Dredging of River Loddon at Loddon Bridge
- 4. Containment of Loddon with higher banks at Loddon bridge roundabout
- 5. Raising of road at Loddon bridge roundabout
- 6. Increased water retention capacity in safe areas in Shinfield and Arborfield
- 7. Further measures around Emmbrook School
- 8. Measure to contain water which currently can reach homes in Earley
- Larger measures being considered for the course of the Loddon more generally
