

Form: Farming Ammonia Reduction Grant Scheme: claim form and offer terms

Updated: Added new claim form. Amended section 7: How to get paid

The scheme closed for applications on 31 January 2017.

How to claim

You must [register the land](#) on which you're carrying out capital works by 31 July 2017, if it's not already registered on the Rural Land Register.

Send your [claim form](#) to [Natural England](#) by 31 July 2017.

You'll get paid for completed capital works by 30 September 2017.

Use the:

- [specification for installing slurry store and lagoon covers](#)
- [guidance for scheme details](#)

You can:

- start approved works on or after the date you signed and returned your offer letter
- claim for agreed capital items as soon as work is complete and paid for in full
- only submit one [claim form](#)

You can't claim for:

- hire purchase payments
- works not finished and paid for by the claim deadline
- capital items not covered under your offer
