Form: Farming Ammonia Reduction Grant Scheme: claim form and offer terms

Updated: Added new claim form. Amended section 7: How to get paid

The scheme closed for applications on 31 January 2017.

How to claim

You must <u>register the land</u> on which you're carrying out capital works by 31 July 2017, if it's not already registered on the Rural Land Register.

Send your claim form to Natural England by 31 July 2017.

You'll get paid for completed capital works by 30 September 2017.

Use the:

- specification for installing slurry store and lagoon covers
- guidance for scheme details

You can:

- start approved works on or after the date you signed and returned your offer letter
- claim for agreed capital items as soon as work is complete and paid for in full
- only submit one claim form

You can't claim for:

- hire purchase payments
- works not finished and paid for by the claim deadline
- capital items not covered under your offer
