

[Form: Materials facility combined waste returns spreadsheet](#)

Use this materials facility (MF) combined waste returns spreadsheet for sites notified as MFs to the Environment Agency under the [Environmental Permitting \(England and Wales\) Regulations 2016, Schedule 9](#).

The spreadsheet includes MF sampling data and waste tonnage data.

Please do not open the spreadsheet directly from this page. Save it to a folder by right-clicking, select 'save as' and then open it from where you saved it.

Submit your return by email to national-operator-returns@environment-agency.gov.uk.

Deadlines for submission are the same as for [waste tonnage returns](#).

If you have any questions about MF regulations, including requests to notify, email MFRegs@environment-agency.gov.uk.

See [guidance on MF sampling](#).
