

## Friends of Balgay – promoting the park #dundeewestend

It was a pleasure for us both yesterday to visit the Friends of Balgay's informal meeting at the Blackness Library.

It was a great opportunity to find out about the Friends' plans for the coming year and chance to get to chat with the committee.

You can find out more about the Friends of Balgay's activities by contacting the committee at [friendsofbalgay@hotmail.com](mailto:friendsofbalgay@hotmail.com)

**The Pavilion**  
This is a modern pavilion with a roof of solar panels. It is a great place to sit and enjoy the view. It is also a great place to have a picnic. The pavilion is located in the park and is a great place to spend a day. It is a great place to have a picnic and enjoy the view. It is also a great place to have a picnic.
