G7 Export Credit Agencies: virtual conference

News story

The Heads of G7 Export Credit Agencies (ECAs) met on 15 and 16 December 2020, at a virtual conference hosted by UK Export Finance.

ECA Heads from Canada, France, Germany, Italy, Japan, UK and USA discussed a range of strategic topics, including climate change and clean energy.

The G7 ECA Heads also agreed that a global level playing field in the provision of officially supported export credits was critical, and reaffirmed their full commitment to transparency. The constructive and open discussions then explored the impact of the coronavirus (COVID-19) pandemic, and the vital roles ECAs were playing in stimulating the economic recovery.

G7 ECA Heads agreed to reconvene in 2021.
