

Gardening for wildlife – Workshop and Q&A

Helena Simmons from Ninewells Community Garden will share her tried and tested ideas on making space for wildlife within a productive vegetable garden at this on-line workshop tomorrow (Wednesday 22nd July) at 1pm.

She will talk about benefits for crop protection, biodiversity and carbon storage.

The live online workshop is a great opportunity to share ideas and ask questions about your own gardens.

You can register for it [here](#).
