<u>Gardening for wildlife — Workshop and</u> <u>Q&A</u>

Helena Simmons from Ninewells Community Garden will share her tried and tested ideas on making space for wildlife within a productive vegetable garden at this on-line workshop tomorrow (Wednesday 22nd July) at 1pm.

She will talk about benefits for crop protection, biodiversity and carbon storage.

The live online workshop is a great opportunity to share ideas and ask questions about your own gardens.

You can register for it here.
