

Getting things done – Glamis Road #dundeewestend

Many thanks to the residents who highlighted with me that, following the resurfacing of Glamis Road some time ago and the access road at Balgay Cemetery, some of the road linings have not been repainted.

I raised this with the council's Roads Maintenance Partnership and have now received this helpful reply :

"Dundee Road Maintenance Partnership carried out improvements to the surfacing to the access road at Balgay Cemetery. A lining schedule has been produced but unfortunately due to the inclement weather it has not been possible to apply these markings to the new surface.

As far as our lining duties are concerned, we have made this a priority and will bring this to a conclusion at the earliest possible opportunity."
