

Getting things done – grass area at Oxford Street/Elliot Road/Cambridge Street/Eton Street #dundeewestend

Residents highlighted to me at the weekend that, following Storm Arwen before Christmas, two felled and cut up Cypress trees are sitting at the grass playing field area at Oxford Street/Elliot Road/Cambridge Street/Eton Street, awaiting uplift.

I raised this with the council's Senior Forestry and Arboricultural Officer who has helpfully responded as follows :

"I can confirm that the two Cypress trees extracted to the playing fields from Glamis Road Storm Blockage will be removed this week."
