

Getting things done – Invergowrie Drive #dundeewestend

Fraser is pictured in Invergowrie Drive where a parts of the waiting restrictions have become faded – particularly in the cul-de-sacs.

We contacted the Roads Maintenance Partnership about this and were given the following positive response :

“I have been in touch with Tayside Contracts to have the double yellow lines

on Invergowrie Drive – including the cul de sacs – refreshed.”

We are pleased to say this work was undertaken last week.
