

[Getting things done – Pentland – an update #dundeewestend](#)

Residents will recall that some weeks ago, I mentioned I had reported to the City Council the path from Saggar Street running along Pentland Crescent towards Pentland Avenue which had the foliage from a rather overgrown tree causing an obstruction.

I have since been given this helpful update from the council's Neighbourhood Services :

**"In short we have imminent plans to crown lift this Weeping Willow tree and one or two other Weeping Willow trees in the same area.**

**To prune this tree properly we require to use a platform which has been arranged."**
