

[Getting things done – Pentland – an update #dundeewestend](#)

Residents will recall that some weeks ago, I mentioned I had reported to the City Council the path from Saggar Street running along Pentland Crescent towards Pentland Avenue which had the foliage from a rather overgrown tree causing an obstruction.

I have since been given this helpful update from the council's Neighbourhood Services :

"In short we have imminent plans to crown lift this Weeping Willow tree and one or two other Weeping Willow trees in the same area.

To prune this tree properly we require to use a platform which has been arranged."
