

Getting things done – Perth Road – an update #dundeewestend

Some time ago, we reported to the Roads Maintenance Partnership that one of the two bollards on Perth Road near the bottom of Ryehill Lane (just west of Dil Se restaurant) was missing and also asked that it repaired the grating adjacent to the bollards as it was knocked off and needed reinstated.

The bollard was promptly repaired but the grating – polychannel – remains to be sorted.

We have now been promised that a programme of polychannel repairs has been agreed so hopefully this will be resolved soon.
