

## Getting things done – Roseangle #dundeewestend

Michael is pictured at the Roasengle/Perth Road junction where there are concerns about pedestrian safety crossing.

One resident advised :

**“My husband and I have been finding the crossing at Roseangle and Perth Road especially unnerving for pedestrians. Specifically when crossing the top of Roseangle going east/west. The geometry of the road means that cars traveling along Perth Road westwards and making a left turn onto Roseangle don’t need to slow down.**

**I had a car cut me off like this when I was half way through crossing the other day at intimidating speeds.**

**Changing the shape of the sidewalk or putting posts out part way would make the angle more acute and require cars to slow to make left turns. I think this traffic calming measure would beneficially impact pedestrians in the area, especially with the newly redone Seabraes park nearby.”**

We have raised this concern with the council’s Road Safety Team Leader and will keep residents updated on this issue.
