

Government extends social distancing measures under Prevention and Control of Disease Ordinance

The Government announced on January 26 that it will gazette directions and specifications under the Prevention and Control of Disease (Requirements and Directions) (Business and Premises) Regulation (Cap. 599F), the Prevention and Control of Disease (Prohibition on Group Gathering) Regulation (Cap. 599G) and the Prevention and Control of Disease (Wearing of Mask) Regulation (Cap. 599I) to maintain the social distancing measures currently in place. The directions and specifications will take effect on January 28, 2021 for a period of seven days till February 3, 2021.

A spokesman for the Food and Health Bureau said, "The COVID-19 epidemic situation in Hong Kong remains serious. The latest 7-day average number of local cases with unknown source of infection was close to 29 and a number of confirmed cases were found in certain districts over a short period of time, which showed that silent transmission in the community is still active."

"The Government tightened social distancing measures on December 10, 2020 and extended the measures for 14 days on December 24, 2020 and January 7, 2021 respectively. The Government further extended the measures for seven days on January 21, 2021. Taking into account the latest public health risk assessment, the Government will maintain existing requirements and restrictions applicable to catering business premises and scheduled premises, as well as the requirements for group gatherings and mask wearing for seven days. We will continue to closely monitor the development of the epidemic situation and review and adjust the various measures in place from time to time. We will announce the latest social distancing measures in a timely manner."

The details of the extended requirements and restrictions are as follows:

(I) Catering business and scheduled premises

(1) The requirements and restrictions applicable to catering business and scheduled premises (details at Annex 1) will be maintained during the seven-day period from January 28, 2021 to February 3, 2021, including the following requirements: from 6pm to 4.59am of the subsequent day, save for specific premises (details at Annex 2), a person responsible for carrying on a catering business must cease selling or supplying food or drink for consumption on the premises of the business; no more than two persons may be seated together at one table within any catering premises; bars or pubs will continue to be closed; and except club-houses and hotels or guesthouses, all scheduled premises regulated under Cap. 599F must be closed.

Under Cap. 599I, if a person does not wear a mask in accordance with the requirement, an authorised person may deny that person from boarding a public transport carrier or entering the area concerned, as well as require that person to wear a mask and disembark from the carrier or leave the said area.
