

# Government responds to enquiries about incidents concerning construction quality of Shatin to Central Link

Regarding media enquiries about the investigation progress of the incidents concerning the construction quality of the MTR Shatin to Central Link (SCL) project, a spokesman for the Government gave the following response today (June 28):

The law enforcement department continues to conduct criminal investigations into the incidents concerning the construction quality of the SCL project. According to the established policy, the Government will not offer any comment on the case at this stage.
