

# Government updates list of places of recognised vaccination records

The Government announced today (May 9) that it has concluded discussions with the Government of Kyrgyzstan to accept vaccination records issued by Kyrgyzstan as recognised vaccination records for persons arriving at Hong Kong who have stayed in overseas places under the mechanism. The relevant arrangements will take effect at 0.00am on May 11 (Wednesday).

From 0.00am on May 11, persons who hold a vaccination record issued by Kyrgyzstan's relevant authorities in the prescribed format can board a flight for Hong Kong from overseas places. The vaccines administered for the relevant travellers have to be vaccines listed on the Government's List of COVID-19 Vaccines Recognised for Specified Purposes.

The Government has implemented stringent inbound prevention and control measures for persons arriving at Hong Kong from overseas places. Persons who have stayed in any overseas place can only board a flight for Hong Kong if they are fully vaccinated and hold recognised vaccination records. Recognised vaccination records include (a) vaccination records issued by Hong Kong, (b) vaccination records or certifications issued by Mainland or Macao authorities or an institution recognised by Mainland or Macao authorities, (c) vaccination records or certifications issued by an authority or recognised institution of a country where its national regulatory authority is designated by the World Health Organization as a stringent regulatory authority, (d) vaccination records or certifications issued by a relevant authority or recognised institution of a country with which Hong Kong has reached a recognition agreement arrangement with its government, or (e) vaccination records issued by an organisation with which Hong Kong has reached a recognition agreement arrangement.

The list of places or organisations that are accepted for issuing recognised vaccination records is set out in the Annex, and will be uploaded to the Government's COVID-19 thematic website.

The Government will continue to discuss with other places on the arrangements for the recognition of vaccination records, and will update the list as recognition arrangements are agreed with these places.
