Discovery Bay	Silverstrand Beach

Grade 3 beaches are:

Anglers' Beach	Casam Beach
Approach Beach	Lido Beach
Big Wave Bay Beach	Ting Kau Beach

* The Leisure and Cultural Services Department announced on September 17 that, due to urgent clearance work and maintenance of shark prevention nets after the Typhoon Mangkhut, all beaches in Southern, Tuen Mun, Tsuen Wan, Islands and Sai Kung Districts are temporarily closed until further notice.

** Discovery Bay is a non-gazetted beach without lifeguard service.

*** After the typhoon, damage was found at Sai Kung Sewage Treatment Works and some sewage pipes near Deep Water Bay and Tai Tau Chau at Shek O, leading to the discharge of sewage. The public are advised to avoid recreational activities at beaches including Kiu Tsui Beach, Trio Beach, Hap Mun Bay Beach, Deep Water Bay Beach and Shek O Beach where water quality may be affected in the near future.

Under the present grading system, beaches are classified into four

grades according to the level of E. coli in the water. Grades are calculated on the basis of the geometric mean of the E. coli counts on the five most recent sampling occasions.

A summary of beach grades is published weekly before the weekend. The latest beach grades based on the most current data may be obtained from the department's websites on Beach Water Quality (www.beachwq.gov.hk and www.epd.gov.hk/epd/beach) or the beach hotline, 2511 6666.
