## <u>Grading of beach water quality</u> released

The Environmental Protection Department (EPD) today (July 19) released the latest grading of water quality for 39 gazetted beaches (see Note 1) and one non-gazetted beach (see Note 2).

Nineteen beaches were rated as Good (Grade 1), 18 as Fair (Grade 2), and three as Poor (Grade 3).

## Grade 1 beaches are:

Cheung Chau Tung Wan Beach\*
Chung Hom Kok Beach
Clear Water Bay Second Beach\*
Deep Water Bay Beach\*
Discovery Bay Tai Pak Beach
Hap Mun Bay Beach\*
Hung Shing Yeh Beach\*
Kiu Tsui Beach
Kwun Yam Beach
Lo So Shing Beach

Ma Wan Tung Wan Beach\*
Repulse Bay Beach\*
Silverstrand Beach\*
South Bay Beach\*
St. Stephen's Beach
Stanley Main Beach\*
Tai Po Lung Mei Beach\*
Trio Beach
Turtle Cove Beach

## Grade 2 beaches are:

Anglers' Beach\*
Approach Beach
Big Wave Bay Beach\*
Butterfly Beach\*
Cafeteria New Beach
Casam Beach\*
Clear Water Bay First Beach
Golden Beach\*
Hoi Mei Wan Beach

Lido Beach\*
Lower Cheung Sha Beach
Middle Bay Beach
Pui O Beach\*
Shek O Beach\*
Silver Mine Bay Beach\*
Ting Kau Beach\*
Tong Fuk Beach
Upper Cheung Sha Beach

Grade 3 beaches are:

Cafeteria Old Beach Castle Peak Beach Kadoorie Beach

Compared with the grading released last week, Deep Water Bay Beach, Ma Wan Tung Wan Beach, Stanley Main Beach and Tai Po Lung Mei Beach have been upgraded from Grade 2 to Grade 1.

Under the present grading system, beaches are classified into four grades, namely Good (Grade 1), Fair (Grade 2), Poor (Grade 3) and Very Poor (Grade 4), according to the level of E. coli in the water. Grades are calculated on the basis of the geometric mean of the E. coli counts on the five most recent sampling occasions.

While the ratings represent the general water quality at the beaches, an EPD spokesman reminded members of the public that water quality could be temporarily affected during and after periods of heavy rain. Bathers should avoid swimming at beaches for up to three days after a tropical cyclone or heavy rainfall.

A summary of beach grades is published weekly before the weekend. The latest beach grades based on the most current data may be obtained from the EPD's website on Beach Water Quality (<a href="www.epd.gov.hk/epd/beach">www.epd.gov.hk/epd/beach</a>) or the beach hotline, 2511 6666. Members of the public can also obtain the latest daily water quality forecast information for all beaches that are open for swimming through the Beach Water Quality Forecast mobile application (available for download from: <a href="www.epd.gov.hk/en/BWQApp">www.epd.gov.hk/en/BWQApp</a>) or the dedicated beach water quality forecast page (<a href="www.epd.gov.hk/en/BWQForecast">www.epd.gov.hk/en/BWQForecast</a>) on the EPD's beach thematic website.

Note 1: Lifesaving services are provided by the Leisure and Cultural Services Department at 21 gazetted beaches, marked with an asterisk (\*) above, from June 1. Due to the damage caused to the footpaths leading to Chung Hom Kok Beach by landslides, the beach is temporarily closed until further notice. For details, please refer to the Leisure and Cultural Services Department's Special Announcement (www.lcsd.gov.hk/en/beach/index.html).

Note 2: This refers to Discovery Bay Tai Pak Beach which is a non-gazetted beach that has no lifesaving service.
