

Grazeley development

The Councils' bid for infrastructure money to permit a substantial new settlement at Grazeley has made it to the list for further work by the government. The bid for more than £300 m is to provide improved transport links, schools and other public facilities that would be needed if 15000 extra homes are to be built there.

I have always made clear that before I could support such large development at Grazeley I would need to see there was sufficient money to put in good public facilities, and would want assurances that Wokingham would not also face further large scale development elsewhere in the Borough at the same time. I also wish to hear local views on the Council proposals.
