

Green Party welcome report on positive attitudes towards migration

Green Party

9 March 2023

Green Party Co-leader Adrian Ramsay has welcomed a new report from UK In A Changing Europe, which highlights “sustained shift towards more positive attitudes towards migration” [1].

Ramsay said:

“More and more people are coming to understand the value of immigration to our cultural and economic life. As this report shows, Brexit and the pandemic highlighted just how vital immigration is to our country.

“Brexit closed down free movement of people and has created labour shortages in important sectors, while immigrants make up a significant proportion of the key workers – from supermarket shelf-packers, to care workers and health staff – who we all clapped for during the pandemic.

“The public increasingly recognises this and the Green Party is the only party that would renegotiate Freedom of Movement with the EU.”
