

Greens respond to Sunak's latest flights

Green Party

9 February 2023

Responding to Downing Street's revelation that Prime Minister Rishi Sunak flew from Dorset to London and London to Cornwall in the space of 24 hours, Green Party co-leader Carla Denyer said:

"The Prime Minister seems incapable of understanding just how damaging his personal addiction to flying such short distances so regularly is to his government's stated aim of tackling the climate crisis. Private jets are up to 14 times more polluting than commercial flights and 50 times more polluting than taking a train. He should be showing some leadership in reducing his carbon footprint, instead he is insulting everyone who is trying to do their bit for the environment."
