

[Guidance: Eastern Channel marine area: index map and site packages](#)

Updated: Changed status of Chichester and Langstone Harbours / South Wight Maritime from 'draft' to 'formal'. Re-pointed link for South Dorset to Designated Sites System. Designation of Lyme Bay and Torbay / Studland to Portland changed from SCI to SAC. New draft sites Chesil and the Fleet / Chesil Beach and The Fleet / Solent and Isle of Wight Lagoons added. Map updated.

Find out if your activity, proposal or area of responsibility has a potential impact on the species and habitats in the marine protected areas in the Eastern Channel.

Advice packages are listed alphabetically. Packages marked 'awaiting update' on the map have not been updated on the Designated Sites System but advice may still exist. These sites are not listed here, but you can search for all sites on the Designated Sites View [site search](#). This will include links to any existing advice.
