

Guidance: Implementation of defence policy for health, safety and environmental protection (DSA01.2)

Updated: DSA01.2 chapter 4: management of health, safety & environmental protection risk has been published at version 1

DSA01.2 supports [DSA01.1](#) (the amplification of the [Secretary of State's policy statement for health, safety and environmental protection \(HS&EP\)](#)) and provides the detail on how to comply with DSA01.1.

It will be comprised of 10 chapters covering duty holding, safety culture, assessment on organisational change through to service inquiries. These chapters will be published in due course.
