

Guidance: Marine planning: second outputs for north east, north west, south east and south west marine plan areas Marine planning engagement events

Updated: updated page and added iteration 2 engagement summary

These documents were the second outputs of marine planning in the north east, north west, south east and south west marine plan areas (iteration 2). They followed on from iteration 1 (February to April 2017).

The Iteration 2 engagement gathered stakeholder views on:

- draft marine plan area visions
- draft options to address issues in each marine plan area

All input has been recorded and is in the process of being analysed and reviewed by the marine planning team.

The second outputs of the marine planning process for the north east, north west, south east and south west marine plan areas were presented during the Iteration 2 engagement period which ran between 29 January 2018 and 29 March 2018.

During this period 11 workshops were held over four marine plan areas in the north west, south east, south west and north east. Local coastal partnerships supported these events. partnerships Online engagement also ran simultaneously. The engagement survey links from this engagement have now been removed.

Over 350 stakeholders from a wide range of organisations attended the workshops, representing an array of national and local stakeholders, while we received 1030 online surveys and 26 email responses.
