

[Guidance: Northern North Sea marine area: index map and site packages](#)

Updated: New sites added: Aln Estuary MCZ, Coquet to St Mary's MCZ and Farne Islands SPA. Northumberland Marine SPA and Northumbria Coast SPA now at formal stage.

Find out if your activity, proposal or area of responsibility has a potential impact on the species and habitats in the marine protected areas in the Northern North Sea.

Advice packages are listed alphabetically. Packages marked 'awaiting update' on the map have not been updated on the Designated Sites System but advice may still exist. These sites are not listed here, but you can search for all sites on the Designated Sites View [site search](#). This will include links to any existing advice.
