

# **Guidance: Transitional National Plan (TNP): guidance on the trading scheme**

*Updated:* We updated TNP: IED RTA1 Form.

Use these forms to comply with the TNP trading scheme. They are for use by appropriate regulatory authority staff and operators of large combustion plants.

Guidance for the TNP is available on request. Email [tnphelp@environment-agency.gov.uk](mailto:tnphelp@environment-agency.gov.uk).

See the [TNP quarterly registers](#) to help you find an operator to trade with.
