

# HA Annual Report 2019/20 published (with photo)

The following is issued on behalf of the Hong Kong Housing Authority:

The Annual Report and Financial Statements of the Hong Kong Housing Authority (HA) for the year 2019/20 were published today (December 9) and made available on the Housing Authority/Housing Department (HA/HD) website.

The theme of this year's Report is "Work Together for Quality Public Housing". Providing quality public housing for people in Hong Kong in need of affordable homes has been the HA's primary focus. It cannot be achieved without HA staff and teams working together to adopt quality designs and carry out effective initiatives. Amid the COVID-19 epidemic, the HA's determination to fight against the epidemic has contributed to safeguarding the health of the Hong Kong people.

A leaflet on the HA's public housing portfolio comes with the Annual Report, showing the geographic distribution and some useful figures of public rental housing estates and Home Ownership Scheme courts. Members of the public are welcome to browse the e-version of the Annual Report on the HA/HD website ([www.housingauthority.gov.hk/mini-site/haar1920/en/index.html](http://www.housingauthority.gov.hk/mini-site/haar1920/en/index.html)).
