In light of positive test results for the COVID-19 virus from some sewage samples collected in Sai Kung, Tuen Mun and Eastern District, the Home Affairs Department (HAD) said today (April 22) that the Sai Kung District Office (SKDO), the Tuen Mun District Office (TMDO) and the Eastern District Office (EDO), have distributed a total of about 321 000 COVID-19 rapid test kits (rapid test kits) to households, cleansing workers and property management staff living and working in the districts.

The SKDO distributed rapid test kits to households, cleansing workers and property management staff living and working in LOHAS Park (The Capitol, Le Prestige, Le Prime, La Splendeur, Hemera, Wings at Sea, Wings at Sea II and MALIBU) for voluntary testing through the property management companies.

The TMDO also distributed rapid test kits to households, cleansing workers and property management staff living and working in San Wai Court, Siu Kwai Court, Leung King Estate, Tin King Estate and Siu Lung Court for voluntary testing through the property management companies.

In addition, the EDO distributed rapid test kits to households, cleansing workers and property management staff living and working in Continental Mansion, Kwong Chiu Terrace, North Point Centre, Fortress Garden, Kent Mansion, Fortress Metro Tower, Le Sommet, Golden Castle Mansion, Sunny House and Fung Wah Mansion for voluntary testing through the property management companies.

Members of the public may refer to the demonstration video produced by the Centre for Health Protection (CHP) under the Department of Health (DH) via www.youtube.com/watch?v=yzFAUzTtmKk to learn about the way of using the rapid antigen test (RAT) kit.

Persons tested positive through an RAT should take a photo of the test result and declare the result within 24 hours via the Declaration System for Individuals Tested Positive for COVID-19 Using Rapid Antigen Test (www.chp.gov.hk/ratp). If members of the public encounter difficulties in using the online platform, they can call the automated system at 183 6119 to register their identification document and telephone number. The CHP under

the DH will contact the relevant person later to complete the report procedure. There is no need to declare negative test results.

The Government appeals for the co-operation of members of the public to safeguard the health of themselves and their families by undergoing testing on a voluntary basis and fighting the virus together. The Government urges all individuals who are in doubt about their own health condition, or individuals with infection risks (such as individuals who visited places with epidemic outbreaks or had contact with cases that tested positive), to undergo testing promptly for early identification of infected persons to reduce the transmission risks of COVID-19.
