

HAD imposes further restriction on dancing and singing activities

The Home Affairs Department (HAD) today (November 26) announced that in view of the latest situation of COVID-19, dancing and singing classes in community halls/community centres have been suspended starting from today. Starting from tomorrow (November 27), all dancing and singing activities, except performances, will also be suspended until further notice.

All users of community halls/community centres have to wear face masks at all times except when a person is playing designated sports as specified in the Prevention and Control of Disease (Requirements and Directions) (Business and Premises) Regulation (Cap. 599F) Gazette notice.
