The Home Affairs Department this morning (July 30) learned that there is a confirmed case of COVID-19 at Hong Shue House of Lei Muk Shue Estate, at which the Lei Muk Shue Community Hall is located. The hall will undergo full disinfection and cleaning today.

When the Government's measure, which ceases dine-in services at catering businesses for the whole day is in effect, the venue opened for members of the public in need to take their own meal to have lunch in Tsuen Wan will be changed to Shek Wai Kok Community Hall (Address: Shek Wai Kok Estate, Tsuen Wan).

The temporary night heat shelter for Tsuen Wan District will also be relocated to Shek Wai Kok Community Hall until further notice.
