

HAD's collection point of deep throat saliva samples for Thai people suspended

Attention duty announcers of radio and television stations:

Please broadcast the following message as soon as possible and repeat it at suitable intervals:

The Home Affairs Department today (October 13) announced that, as the Tropical Cyclone Warning Signal No. 8 is now in force, the collection point of deep throat saliva samples for COVID-19 testing set up at Lok Sin Tong Chan Kwong Hing Memorial Primary Health Centre on G/F, 48 Junction Road, Kowloon City, for Thai people in Kowloon City district will be suspended today. The date of returning specimen bottles will be postponed to tomorrow (October 14) from 9 am till 12 noon.
