[Harrogate & District Health & Safety Forum – ‘Offence to Sentencing’ the process – Harrogate, 4 Oct 2017](#)

This event is being organised by ‘The Harrogate & District Health and Safety Forum’, a partnership between Local Businesses, HSE and Harrogate Borough Council.

Date

Wednesday 4th October 2017, 11:45 – 16.30

Location

The Pavilions, Great Yorkshire Showground, Harrogate HG2 8NZ

Event overview

Health and Safety offences may be identified during routine inspections, following accidents/ incidents in the workplace or as a result of complaints. This could result in a number of actions which may significantly affect your

business. Do you know what to do if this happens? Do you know what to expect?

This event aims to give you an understanding of the process which may be followed should a serious incident happen in your business. It will explain the range of options which enforcement officers can use in relation to non-compliance.

It will give guidance on when and how a business can/should conduct its own investigation, the role and scope of the investigating enforcement officer during an investigation and includes a case study of a workplace fatality.

The complex process of preparing for court, court procedures the new sentencing guidelines and corporate manslaughter will be covered by a legal expert. This event is suitable for all business types, self-employed and other interested parties.

HSL: Hazardous Area Classification –

Buxton, 19 Oct 2017

[Book Course](#)

HSL is to run a 1 day course on Hazardous Area Classification.

19 October 2017

Introduction

The Dangerous Substances and Explosive Atmospheres Regulations (DSEAR) require that areas where accidental releases of dangerous substances could occur are identified and classified according to the likelihood of the formation of a flammable atmosphere. Within classified areas sources of ignition should be controlled. This course is designed to provide delegates with the knowledge to carry out straightforward hazardous area classification in accordance with commonly used standards or to act as an intelligent customer when contracting others to deliver this role.

The course covers

Who should attend

This course is suitable for all those who may be asked to carry out hazardous area classification as part of a DSEAR assessment including process safety and electrical engineers and health and safety practitioners.

Venue

The course will be run at the HSL laboratory in the spa town of Buxton. Buxton is in the heart of the Peak District and has good links to mainline train stations and Manchester International Airport.

Details of hotels in the Buxton area can be found at www.visitbuxton.co.uk

Cost

The cost of the course is £600 per person (includes course notes, lunch and refreshments).

[Book Course](#)

Please note the invoice option is not available within 4 weeks of the course date, or for overseas customers. If you are selecting the invoice option for payment, it will be mandatory to input a purchase order/reference number as we are unable to process booking forms without this.
