

HK inventors shine on world stage

The International Exhibition of Inventions of Geneva is one of the largest and most prestigious innovation shows in the world. Hong Kong innovators frequently come away with prizes from the annual expo. In 2018, the Hong Kong Design Institute and the Hong Kong Productivity Council scooped awards for their outstanding inventions and now the Productivity Council is preparing to enter this year's exhibition, which will run from April 10 to 14.

News.gov.hk spoke to the inventors about their designs and how joining global events helps promote Hong Kong's achievements in innovation and technology.

The story appears on news.gov.hk today (April 5) in text and video format.
