

HK on a charge for zero waste

Starting from April 1 next year, charges will be implemented for the disposal of municipal solid waste as the Government strives to increase recycling in the community.

News.gov.hk asked the Environmental Protection Department to outline the different charging modes under the new law, along with some recycling tips to help citizens dump less and save more.

The story is available at www.news.gov.hk/eng/feature today (November 19) in text and video format.
