

Holiday clinic service in Tuen Ng Festival

The following is issued on behalf of the Hospital Authority:

The Hospital Authority (HA) spokesperson today (June 15) said that 12 of its general out-patient clinics (see table below) will provide services in the coming Tuen Ng Festival holiday on Monday (June 18). Members of the public are reminded to make advance booking through the telephone system as usual for an appointment.

The spokesperson further remarked that the Accident & Emergency (A&E) Departments in public hospitals will also operate as usual during the holiday to serve the patients with urgent medical needs. The established triage system will ensure priority treatment for critical and emergency patients according to their clinical conditions.

"The queuing time is expected to be longer for semi-urgent and non-urgent patients as there may be more patients attending A&E departments during the holiday," the spokesperson appeals to the public for understanding and cooperation while waiting for consultations. Non-urgent patients are advised to consider seeking consultations at general out-patient clinics, private doctors or the 24-hour clinics of private hospitals.

To help find the appropriate family medicine doctor and related clinic service of their choice, members of the public are welcome to call the HA Infoline (2882 4866) for information on holiday general out-patient clinic service, or to browse the Primary Care Directory of Department of Health at www.pcdirectory.gov.hk, or download the mobile App of "Primary Care Directory".
